Confidential Case Report received by SURVIVOR SUPPORT SPECIALIST: CASE OFFICER

ANONYMOUS CASES: As an anonymous Survivor we encourage you to make direct contact with the Survivor Support Specialist: Case Officer for support. Anonymous case reports to the OIC will be referred to the UCT Specialised Tribunal for Sexual Offences. This does not guarantee that the Specialised Tribunal or the OIC will proceed with a reporting process against the alleged perpetrator or make direct contact with the perpetrator

CASE SPECIFIC SUPPORT SERVICES & REPORTING OPTIONS WITH THE SURVIVOR SUPPORT SPECIALIST

EMERGENCY ENGAGEMENT WITH THE PERPETRATOR OCCURS IF THERE ARE PHYSICAL SAFETY RISKS TO THE SURVIVOR

Medical Attention: The main reasons for getting medical attention after a rape are:

- medical care (post exposure prophylaxis - prevention of HIV, antibiotics for sexually transmitted infections, morning-after pill)
- a medical forensic examination (rape kit)
- report the crime to SAPS-FCS
- psychosocial support

Remember - by seeking medical assistance, you are not initiating a reporting process
